

Travel Instructions for Arrival Day

Gavel Assisted Own Air Participants

Checking in for Your Flight

When departing your home city for your OVERNIGHT flight to Amsterdam, it is recommended that you arrive at the airport at least 3 hours prior to your flight departure time due to long expected wait times in TSA security lines. Please verify with your airline the minimum check-in time required with checked luggage. If you are not checked in by the required time, you may be denied boarding by the airline. Any fees associated with checked luggage or luggage weight restrictions will be at your own expense. Please check with your airline to confirm the current luggage allowances and any fees associated with checked luggage as some airlines have changed their luggage allowances for 2024.

Travel Tips for Disrupted Travel or Lost Luggage

Please Read Before You Depart on Your Trip to be Familiar with the Procedures

Travel delays and cancelled flights are unavoidable. Here is some helpful information to guide you through your journey should your trip be interrupted due to delays or cancelled flights.

At the airport, if your flight is delayed or cancelled, the airline is responsible for rebooking you on the next available flight to get you to your destination. There are no federal requirements regarding amenities or services. Each airline has its own policies about what it will do for delayed passengers waiting in the airport terminal.

Lost or Delayed Luggage Instructions

If your luggage does not arrive with you at your final destination, you must file a report with the airline prior to leaving the airport. If there is no one at the baggage claim office, find another airline employee to assist. Airlines offer an online tracking service, so make sure you have the file claim number before exiting the airport.

Once you arrive at the ship, please provide your baggage claim information to our onsite staff so they can assist you in tracking your bags. You may be entitled to reasonable reimbursement from the airlines for expenses you incur while waiting for your luggage. Save all receipts as you will need them later to file for reimbursement with the airline.

Delayed Flight Instructions

If your flight is delayed and will result in a missed connecting flight, approach the gate, customer service or counter agent and ask to be rebooked on the next available connecting flight.

Weather delay: Passenger safety is the primary concern of airlines and airports. Weather delays are for your safety and often result in delayed departures. The airline is not required to endorse your ticket to another airline or provide a hotel voucher. Ask for an alternative airline anyway if the airline does not offer it to you.

Mechanical or crew delay: The airline should offer an alternate airline if they cannot rebook you on your original airline. The airline should provide a hotel and meal voucher if the delay requires an overnight stay.

Cancelled Flight Instructions

If your flight is cancelled, approach the gate, customer service or counter agent and ask to be rebooked on the next available flight. If your flight is cancelled, the carrier must offer you either re-routing as close as possible to original departure time or re-routing at a later date. If the cancellation is due to mechanical, air traffic control, crew rest or a late arriving aircraft, you may ask to have your ticket endorsed to another airline. *Note: some airlines do not endorse tickets to alternate airlines.

It is the policy of Auto-Owners Insurance that you seek assistance from the airlines first for accommodation if you experience a disruption in your travel. However, should you need further assistance other than what is being provided by the airlines, please contact the A-O Trips Travel Desk at Gavel International at 877.379.7101 or 816.334.0101. If you need assistance after normal business hours, please contact our 24-hour Hotline: CCRA Travel Solutions at 800.787.2171 and provide the company name of Auto-Owners Insurance and the CODE: G14A0. As a reminder, any changes to your airline tickets on the day of travel will need to be done by the airline and any changes you make to your flights/itinerary which incur additional charges will be at your own expense.

Contact the Travel Desk with Updated Information

Once you have been accommodated by the airlines, please contact the A-O Trips Travel Desk at Gavel International at 877.379.7101 or 816.334.0101 to update them with your new flight information.

Overnight Accommodations

If the disruption causes you to have to overnight and depending on the circumstance for which the delay or cancellation occurred, the airline may or may not accommodate you with hotel and/or meal vouchers. In most cases, airlines generally will accommodate passengers who are disrupted due to mechanical issues; however, they typically will not accommodate passengers (beyond booking the next available flight) who are disrupted due to weather related issues.

If you are not accommodated by the airline, you will be responsible for paying any expenses related to your disruption. If you need assistance in finding overnight accommodation, please call the A-O Trips Travel Desk at Gavel International at 877.379.7101 or 816.334.0101. A credit card will be required to make and guarantee a hotel reservation.

Packing and Travel Tips

Lost or delayed luggage is unavoidable and there will be delayed luggage on every group. Plan accordingly and do not let this ruin your trip.

Carry-On Bag

We strongly recommend that you pack a carry-on bag with enough clothing, toiletries, and anything (including medications) that you may need for the first few days of your trip in case your checked bags are delayed. Staff onsite will know where you can purchase a few more items you may need once you arrive in Amsterdam. (Refer to your Important Information Book for suggestions on what to pack in your carry-on bag.) For carry-on restrictions, please visit tsa.gov.

Checked Bags

If you are traveling with a spouse or guest and will have two checked bags, we recommend you pack items in each bag for each person. If only one bag makes it to the destination, both guests will have some of their items.

Travel Insurance

Many travelers find travel insurance to be an affordable way to offset expenses associated with delayed or cancelled flights. Please see the Travel Insurance Information located on the aotrips.com website at the bottom of the itinerary.
